Road Report for December 2017

Winter has begun! We have been out several times already plowing snow, salting, and ashing the roads. New cutting edges were installed on two of the snow blades. Many trees were trimmed along the roads. We have been working on our dirt roads, cleaning out the ditches, grading, and filling holes. Limestone was placed along the roads where the ditches were washed out.

East Franklin Township
Sewage Report
December 1, 2017-December 21, 2017
Report by David Stewart

All Treatment Plants and Pump Stations are working as expected. No problems to report.

A new tap was put in at Fox Hollow; and as of today's date, half of it has been inspected.

A new tap-in inspection was done in Cowansville.

All required lab samples were collected and transported to CWM. All DMR reports for the month of November 2017 were submitted to DEP.
