

East Franklin Township
Sewage Report
January 2019
Report by David Stewart

All Treatment Plants and Pump Stations are working as expected. No problems to report.

One real estate transfer inspection was done in Cowansville.

There was a one call in Cowansville.

On January 8, 2019, two loads of sludge were hauled from the Fox Hollow Treatment Plant by Atkinson's and were taken to the Worthington Sewage Plant.

The Final NPDES Permit for Adrian Sewage Treatment Plant was received. This permit will become effective on February 1, 2019 and will expire at midnight on January 31, 2024. CWM was notified of all modifications and changes were implemented on the monthly DMR.

Repairs were done on the Sewage Truck.

All required lab samples for January were collected and transported to CWM. All DMR reports for the month of December 2018 were submitted to DEP.
