Road Report for July 2020

The majority of our time this month has been spent at Heritage Park. A Disc Golf course is nearly complete. We had to mow off all the brush, build forms and pour concrete pads, auger holes to mount the baskets, and build 2 walking bridges over the creek. We are expecting it to be done very soon. We also did 2 large patches with hot mix asphalt. We had several calls for trees on the roads. We continue our roadside mowing. A few minor repairs were made on the equipment.
