The Local Services Tax is a local tax due from all individuals who are employed within East Franklin Township. All Federal employees and all Self-Reporting individuals who perform services of any kind or engage in any occupation or professions within East Franklin Township are required to pay a Local Services Tax.

Please complete and return this form with the payment due. If for some reason you have already paid the tax in another political subdivision or at another place of employment, please provide this office with proof of payment and we will adjust our records accordingly. Your canceled check is sufficient proof of payment. If your primary employment jurisdiction has the Local Services Tax, the tax is not to be deducted from the secondary place of employment.

I hereby certify that all information and statements herein are true and correct.
