

## **West Hills Area Water Pollution Control Authority**

The West Hills Area Water Pollution Control Authority Building is located at 257 Linde Road. Office hours are 8:00am-4:30pm Monday through Friday, and the office telephone number is 724.545.9126.

### **\*Public Notice to Customers\* Leader Times**

The West Hills Area Water Pollution Control Authority will be conducting dye testing (and smoke testing as necessary) of private sewer laterals throughout the year to identify sources of infiltration and inflow entering the public sewer system.

Please note: the discharge of French Drains, Roof Drains, Driveway Drains, Yard Drains, Illegal Sump Pumps and any other sources of extraneous water into the public sanitary sewer system is prohibited by municipal ordinances throughout the service area.

End Leader Times Article

Remember...Authority personnel should be wearing WHAWPCA shirts and/or caps and also carry ID badges. They do NOT need to enter any homes to do dye testing.
