## Road Report for February 2022

---

We have been out salting and ashing the roads several times. Limestone was placed in the holes on the dirt roads, and coldpatch was used on our paved roads. We had only one call out from 911 for trash that was dumped illegally along Johns Rd.

The salt building was restocked. Approximately 250 tons of salt and 70 tons of anti-skid were mixed and stockpiled. Some minor repairs were made on the equipment.
