## Kittanning, Pennsylvania February 3, 2022

The Board of Supervisors of East Franklin Township met in the Municipal Building at 6:00 p.m. for the continuance of January 27, 2022, regular meeting.

**Present:** Barry Peters, Chairman  
Dan Goldinger, Vice Chairman - Absent  
David Stewart, Supervisor  
Debra Cornman, Secretary/Treasurer  
Greg McKelvey – Zoning Officer - Absent

### **PUBLIC COMMENT:**

**Rose Brosius** – Have you decided what the Township is with the late Officer William Evans' gun?

**Barry Peters, Chairman** – We have not talked about the gun. When Mr. Goldinger comes back we will discuss at that time.

**Chris Evans** – Can we get a ditch dug on Main Street for the water running down through my property. We have a problem with water coming down from the church, running under State Route 268, down the back yards to Main Street. Contacted Kittanning Suburban Water Authority to see if there was a line broken, they tested the water and said it wasn't water from their lines.

**David Stewart, Supervisor** – You might want to call PennDOT or the Conservation District.

**Chris Evans** – If Township wants money for my dad's gun there are police departments willing to donate the money.

**Gracie Elosser** – Resident of Glade Run Road – Did the Township fill out the application for PennDOT?

**David Stewart, Supervisor** – No, we are taking a different approach. Looking into changing traffic pattern of State Route 422 through the TIP (Transportation Improvement Program). We need to get a feasibility study done for that intersection. So, we need to contact the Commissioners, Senator Pittman and Rep. Abby Major to make this project a priority and get on TIP's list of projects. This is what PennDOT is recommending

## Road Report for January 2022

We have been out plowing, salting, and ashing the roads. We also were working on our dirt roads, cleaning the ditches, filling holes, and spreading stone over muddy spots. We had a couple calls for trees down on the roads. The grader and loader were serviced.

The salt building was restocked:

Approximately 250 tons of salt

Approximately 100 tons of anti-skid

Some minor repairs were made on the equipment.
