PUBLIC COMMENT:

Danielle Rihel, Audubon Society – Provided Township with information about the Buffalo Creek Watershed.

Gracie Elosser – Resident of Glade Run Road – Has the Township receive any information about the study for the intersection of State Route 422 and Glade Run Road? It has been almost a year since the fatal motorcycle accident.

David Stewart, Supervisor – The Township has not received any information.

Chris Evans – I was told there was going to be a memorial tree/plaque for my dad at the park. Do you have any idea when that is going to be done? I am still having water problems. The water test showed as surface water. I dug a drainage ditch on my property. The ditch line needs cleaned out. Will the Township clean it out?
